

Write questions. Then answer the questions using the past continuous and the words in the brackets.

1 It / rain / yesterday? (yes)

2 What / your mum / do / at nine o'clock last night? (watch TV)

3 Your parents / work / last Sunday? (no)

4 What / you / do / an hour ago? (read a magazine)

Complete the sentences. Use the past simple or continuous form of the verbs in brackets.

1 I _____ dinner when you _____. (have / phone)

2 While we _____, we _____ strange noises. (wait / hear)

3 _____ you _____ a mummy while you _____ in Egypt? (see / travel)

4 It _____ when I _____ the house. (not rain / leave)

5 When my friends _____, I _____ the Internet. (arrive / surf)

Complete the text. Use *will* or *won't* and the verbs in the box.

pollute recycle not save destroy protect

The environment – your opinions!

We asked for your opinions about the future of our planet. Here are two letters from readers:

Hi!

I think that the future will be great! I think that people (1) _____ everything – glass, paper, plastic and metal. They (2) _____ all the endangered animals, like tigers and elephants.

Carl (aged 15)

Hello.

I think that the future will be terrible. People (3) _____ energy – they'll use a lot of electricity. We (4) _____ all the rivers and oceans, and we (5) _____ the environment completely.

Joe (aged 17)
